I, \_\_\_\_\_, am the legal guardian/custodial parent of \_\_\_\_\_ whose date of birth is \_\_\_\_\_, and have freely  
(name of child/ward)  
requested that my child/ward \_\_\_\_\_ be allowed to participate in projects organized by:

and,

[on projects located in Canada through Habitat for Humanity Canada]

[on projects located outside of Canada through Habitat for Humanity Canada’s Global Village program] (hereafter collectively called “Habitat Projects”).

I hereby authorize my child/ward \_\_\_\_\_ to participate in Habitat Projects.

I understand that my child/ward may be made subject to risks involving, among other things, accidents, injury, changes in the domestic or foreign political situations, different, unavailable and primitive physical health facilities, uncertain transportation and communication facilities, and the possibility of acts of crime or terrorism. On behalf of my child/ward, I personally assume these risks to the maximum extent possible.

In exchange for my child/ward participating in Habitat projects, I agree as follows:

1. On behalf of my child/ward, I hereby release, hold harmless, forever discharge and covenant not to sue Habitat nor any or all of their respective affiliates, members, directors, officers, leaders, agents, volunteers and/or employees and their respective successors and assigns, from any and all actions, causes of actions, suits, claims, demands, liabilities and expenses that I now have or may have in the future in connection with, arising from or related to, my child/ward traveling to, residing at and participating in any Habitat Project whether in or out of Canada, including all manner of personal injury or injury to my property or the property of my child/ward or economic injury arising from personal injury.
2. I am fully aware of the risks to the health and safety of my child/ward associated with my child/ward providing services both in and out of Canada and confirm that I will review all of **Habitat's Orientation Material**. I confirm that in providing this release I am not relying upon any representations of any kind made to me by Habitat or any of their respective staff or volunteers.
3. I have completed this Release and acknowledge that neither Habitat nor any of their respective staff volunteers have taken any step to induce my child/ward into participating.
4. By my signature below, on behalf of my ward/child I accept full responsibility for the consequences resulting from my child/ward volunteering for and working on Habitat projects and hereby release and forever discharge Habitat and their respective affiliates, members, directors, officers, leaders, agents, independent contractors, volunteers and/or employees from all actions, causes of actions, suits, claims and demands whatsoever that may arise from whatever cause or circumstance.
5. I acknowledge that I have been provided with and have read the Habitat for Humanity Canada **Personal Safety, Non-harassment and Security Policy** and understand same and agree to be bound by its terms as they apply to my child/ward, and as Habitat may amend them from time to time. 6. In case of any accident or illness, I give permission to any staff, employee, independent contractor or other volunteer of Habitat or their respective affiliates or any authorized representative thereof to seek any medical attention or treatment deemed necessary by such individual for my child/ward and I hereby release and waive, as against Habitat and their respective affiliates, members, directors, officers, leaders, agents, volunteers and/or employees or their authorized representative from any and all actions, causes of actions, suits, claims, demands or expenses that my child/ward may have as a result of or in connection with such accident or injury or as a result of or in connection with such medical attention or medical treatment administered in connection therewith, and I will further indemnify and save them harmless from any and all costs, liabilities, expenses, claims, causes of action, suits or demands incurred by them made or taken against them as a result of, connected with or relating to such accident or illness and the medical attention or treatment administered in connection therewith;
7. I agree to indemnify and save harmless Habitat and their respective affiliates, employees, contractors, volunteers and staff from all claims, demands, suits or actions (including costs of defending them) against any of them by or on behalf of my child/ward or by any person injured or who suffered damage to person or property as a result of the actions of my child/ward or in any way arising out of my child/ward participating in Habitat projects, including the cost of defending any such suits, actions, or claims;
